There are two categories of additional drivers/operators:

1. Those defined in the rental agreement as authorized operators who, with only the permission of the renter, may operate the vehicle.
2. Those who, when qualified and authorized in writing by Hertz at time of rental, may operate the vehicle.

* Authorized operators and/or additional authorized operators may be subject to an additional charge.

With permission from the renter, the renter's spouse, employer, employees, or fellow employees incidental to their business duties may operate the vehicle as specified in the rental agreement. Except to the extent necessary for valet parking or in an emergency as permitted by law, no other persons are permitted to operate the vehicle unless such persons appear at the time of rental, are properly qualified and sign an Additional Authorized Operator form.

All additional drivers MUST be at least 25 years old and have an acceptable driver's license. Other qualifications may be in effect at the time and place of rental. Check at time of reservation or rental for details.

United States Rental Qualifications and Requirements

Age

On most rentals the minimum rental age is 25 years old.

EXCEPTIONS:

18-24 years of age:

Hertz will rent to customers between the ages of 18-24 years at all corporate locations in the state of New York. Renters must possess a valid driver's license, provide an acceptable form of payment and be subject to a driver's license verification or complete a driving record certification. For details on this verification and certification refer to the section titled "Driver's License".

Advanced reservations are required and reservations may not be confirmed via the Internet. Please contact the reservations office nearest you-- see [How to Reach Us](#).

21-24 years of age:

Various corporate accounts have agreements with Hertz which permit employees of those companies, between the ages of 21 and 24, to rent for business purposes. Renters must present a valid Corporate Identification Card at the time of rental and additional fees may apply. Please contact your company travel department to verify age exceptions when renting for business purposes.

Coverages & Liability Protection

The provision of liability protection varies from state to state. In many states, Herz provides, at no extra charge, basic liability protection for bodily injury and property damage to third parties, when the car is used in accordance with all terms and conditions of the rental agreement. Liability protection is provided for not less than the minimum legal limits based on where the accident occurs. In some states, this liability protection may be secondary to the customer's own personal coverage. If yes, unless Liability Insurance Supplement - LJS - is accepted. In other states, no liability protection is provided unless the optional Liability Insurance Supplement - LJS - is purchased at time of rental. Please check at time of reservation.

**United States
Rental Qualifications and
Requirements**

Driver's License

An acceptable valid driver's license, issued from your country of residence, **MUST** be presented at time of rental. The driver's license must be valid for the entire rental period. If the driver's license is in a language other than English, and the rental is in the United States, an International Driver's Permit is recommended. In all cases, a valid driver's license issued in your home country must be provided, whether or not you possess an International Driver's Permit. You will not be allowed to rent a Hertz vehicle with only an International Drivers Permit.

At some US locations customer/authorized driver may be subject to an electronic DMV (Division of Motor Vehicles) check with the issuing State Department of Motor Vehicles or asked to complete a driving record certification form which is required prior to renting a vehicle from Hertz. Hertz will rely on the information provided by the DMV check or certification form to decide whether to process the rental.

The customer/authorized driver will be asked to sign the bottom of the verification form attesting that

- he/she has a valid license which is not currently suspended, revoked, expired, invalid or surrendered
- he/she has not, within the past 36 months, paid a fine or pleaded guilty or no contest to or otherwise convicted of:
 - o reckless driving
 - o driving while intoxicated "DWI", driving under the influence "DUI", driving while alcohol impaired "DWAI" or other alcohol or controlled substance related convictions
 - o leaving the scene of an accident or failure to report an accident
 - o possession of a stolen vehicle or use of a vehicle in a crime.

Additionally, the customer's driving record must not reflect one or more of the following within the past 36 months:

Tuesday, September 24, 2002

http://web.archive.org/web/19970404022131/http://www.hertz.com/dl/qual/us/gen_license.html

vehicle in a crime.

Additionally, the customer's driving record must not reflect one or more of the following within the past 36 months:

- leaving the scene of an accident or failure to report an accident
- he/she has not, within the past 24 months, paid a fine or pled guilty or no contest to or otherwise been convicted of:
 - 3 or more moving violations, including seatbelt violations and speeding violations more than 15 miles above the posted limit.

Hertz will not rent to anyone whose driving record reflects any of the above violations or refuses to sign a driving history verification.

If the customer/authorized driver provides false or misleading information, liability protection for the customer will be responsible for any damage to the rental vehicle, property damage to others, personal injury to themselves and personal liability to others.

Certain groups are exempt from completing the form:

Hertz # 1 Club Gold members
 Hertz Platinum members
 U.S. Government on official business
 Nonresident Programs
 Tour/Voucher Programs
 Manhattan Preferred Renters Club members

If an assessment of a driving record is required prior to the rental, a toll-free number to TML Travelcheck Center (the company Hertz uses for driving record assessments) will be provided. The renter may be able to check the record in question, depending on the issuing state, for a fee of \$9.95 USD and advised if the driving record meets the rental criteria. That fee will be charged to a charge card, and the assessment will be valid for a Hertz rental for 90 days from the date of the call.

Gasoline

Rental rates do not include gasoline unless specifically indicated in the rate. Hertz cars are generally rented with a full tank of gasoline. Hertz offers the following three refueling options:

1. **FPO - Fuel Purchase Option.** The new fuel purchase option must be accepted at the beginning of a rental and allows the customer to purchase a tank of gasoline from Hertz at local self-service prices, which eliminates the need to refill the tank before returning the car. The FPO is only offered on rentals of 3 days or more and 2 days or more on weekend rentals. The FPO is not available to Gold Members renting at Gold Locations. FPO is not available in Hawaii.
2. **Refill your car upon return to Hertz.** No receipt will be required.
3. **Returning your car with less than a full tank of gas is another option.** Hertz will charge a refueling charge and apply it to the cost to your rental.

United States Rental Qualifications and Requirements

Method of Payment

At time of rental, a customer must arrange an acceptable method of payment as outlined below:

Cash Transactions

If a credit card is not used, persons **MUST** qualify for rental on a cash basis. This may be done thirty days prior to the rental. A one-time, non-refundable administration fee of \$15.00 USD will be charged for processing the application. To qualify, they must either present a valid Hertz Cash Deposit Identification Card, or be subject to local qualification at time of rental where such procedures are available. Information to be verified on the form include:

- current employment, minimum 1 year
- address and phone number in the renter's name
- bank and/or credit references

Where available and upon qualification, a cash deposit of an amount equal to or greater than the estimated rental charges must be made at time of rental and excess charges, if any, will be due in full at termination of the rental.

Cash rental policies, deposit requirements and procedures vary by and within each country. Information regarding availability of local cash qualification, restrictions that may apply, and deposit requirements are available at time of reservation or by contacting the rental location.

Credit Transactions

Hertz honors the Hertz Charge Card as well as most major credit cards for rentals in the United States.

Vouchers

A rental on which a voucher is presented as full or partial payment requires the renter to meet standard rental qualifications, and present a valid credit card or leave an additional deposit for any difference between the estimated rental charges and the stated value of the voucher. All International customers, excluding residents of Canada, Mexico, Brazil and the Virgin Islands, will be required to present a valid credit card.

International customers presenting a prepaid voucher must present a valid passport containing a dated US Customs stamp, coinciding with their current inbound airline ticket. Fleet Guide

Welcome to the Hertz Fleet Guide

Some Hertz car selections will vary depending upon where you rent, but wherever you go, you're sure to find a quality rental car with low mileage. Hertz is the largest private purchaser of automobiles in the world. Our fleet is comprised of current model year cars with the features you want for safety and comfort: stereo cassette, driver and passenger-side airbags and anti-lock brakes to name a few. For specific fleet information in a certain country or region, start by clicking on a section of the world below. You will then find detailed information about the car classes available in that area. In the coming months, this guide will be expanded to display the entire worldwide fleet.

Can I use another person's credit card for payment of my rental?

Charge cards must be in the renter's name and embossed on the front of the card. The renter's signature must appear on the back of the card.

What can I do if I do not have a credit card in my name?

Cash Rentals are accepted with a Cash Deposit ID Card. Applications for a Cash Deposit ID Card are available from your local Hertz Office. Applicant must be 18 years or older and the application process takes approximately 30 days. There is a \$15USD nonrefundable processing fee.

Can I use my company credit card for my rental?

A signed company credit card, with only the company name on the front, is accepted as long as the signature on the back is the same as the renter. A company credit card is accepted without a signature on the back as long as there is no name embossed on the front. There are a few exceptions to this policy. Please contact your local Hertz Reservation Office for these exceptions.

Can I use more than one credit card to pay for my rental?

No you cannot split charges among different charge cards.

Can I use coupons toward my rental?

Are Sport Utility Vehicles available on Hertz Internet site?

Most locations will confirm Sport Utility Vehicles. However, some locations will not confirm SUV's because they require special handling and/or additional identification. If the location cannot confirm your SUV, you will receive an error message. Please contact your local Hertz Reservation Office for assistance.

I'm having trouble confirming a vehicle. What could be the problem?

The problem could be one of the following: the vehicle you have selected may not be available at the location you selected, the availability of the vehicle may be limited, the vehicle may require special handling. You may select another vehicle type or contact your local Hertz Reservation Office for assistance.

How can I reserve a one-way rental?

You can reserve a one-way vehicle either online, or by calling Hertz directly. Be sure to include your pickup and return locations and we will give you the best rate based on your information.

Can I reserve a vehicle for 60 or more days?

Our site will confirm rentals for up to 60 days. If you need a rental for more than 60 days please contact your local Hertz Reservation Office for assistance.

Can I change or cancel my reservation online?

Hertz Customer Service Frequently Asked Questions Microsoft Internet Explorer provided by USFID

http://web.archive.org/web/2000090417409/hertz.com/company/faq/faq.cfm?category=RES

Can I make a reservation through my Internet account and change it online?

Yes. Click on "Rates and Reservations" and click on "Modify/Cancel Reservations." Be sure to include your Hertz confirmation number.

Is there a penalty to cancel my reservation?

Some rates and vehicle types require a guarantee and may have a cancellation penalty associated with the reservation. However, reservations currently processed through our site do not have any guarantee or penalty associated to the rate nor vehicle confirmed. If a penalty applies, complete information will be included on the Rate screen and on the Confirmation screen.

What does the message "no locations open in this city" mean?

This response may mean one of the following: the vehicle you requested is not available, the vehicle may require special handling, the location may not permit reservations through the Internet. Please select another vehicle or contact your local Hertz Reservation Office for assistance.

What does the message "no locations open in this city" mean?

The location may be closed due to a holiday or the reservation time you have selected is outside of the location's operating hours. Please refer to the "Policy" section within "Rates and Reservations" or in the "Worldwide Locations" section for specific location information.

Is it safe to use my credit card online?

We use industry-accepted encryption to secure all pages that require credit card information.

Are taxes included in the rate quoted?

The rate response screen will specify what charges (including taxes, surcharges, and fees) are included in your rate quote.

Is LDW Included in the rate quoted?

This depends on the location and rate plan that you have selected. If it is included, you

fees) are included in your rate quote.

Is LDW included in the rate quoted?

This depends on the location and rate plan that you have selected. If it is included, you will see it listed in the "Mandatory Items" or "Inclusive Items" section. If it is not included, it will be listed within the "Optional Items" section.

Is insurance included in the rate quoted?

The provisions of liability protection vary from state to state and country to country. In the U.S., Hertz provides at no extra charge, on either primary or secondary basis depending on the state (except for California), basic liability protection for bodily injury and property damage to third parties within limits when the car is used in accordance with all terms and conditions of the rental agreement.

Will my car have a theft insurance or a card/LDW cover or do I need to purchase LDW from Hertz?

Only you can make that decision. For information on what your personal insurance covers, you should check with your insurance agent. To check on the benefits from your charge card, you should check with the charge card's customer service department. Then you can decide if you wish to accept LDW.

The box to enter my airline flight number is not long enough.

If your flight number contains letters and numbers, please enter only the numeric information.

What qualifies as a "weekend" rental?

Generally, rentals picked up beginning Noon on Thursday through Noon Sunday qualify for the weekend rate, provided the rental is kept over a Saturday night. There are, however, some exceptions to the Saturday night keep rule and extra day charges do apply for any rental not returned by end of day Monday.
